Submissive's Prayer

Allow me:

Strength to answer questions I can't fathom

The spirit to know his needs

The serenity to serve him in peace

The love to show him myself

The tenderness to comfort him

The light to show us the way

The wisdom to be an asset to him

Let Me:

Show him each day my love of service to him

Open myself to completely belong to him

Learn to please him beyond myself

Accept my punishment with grace

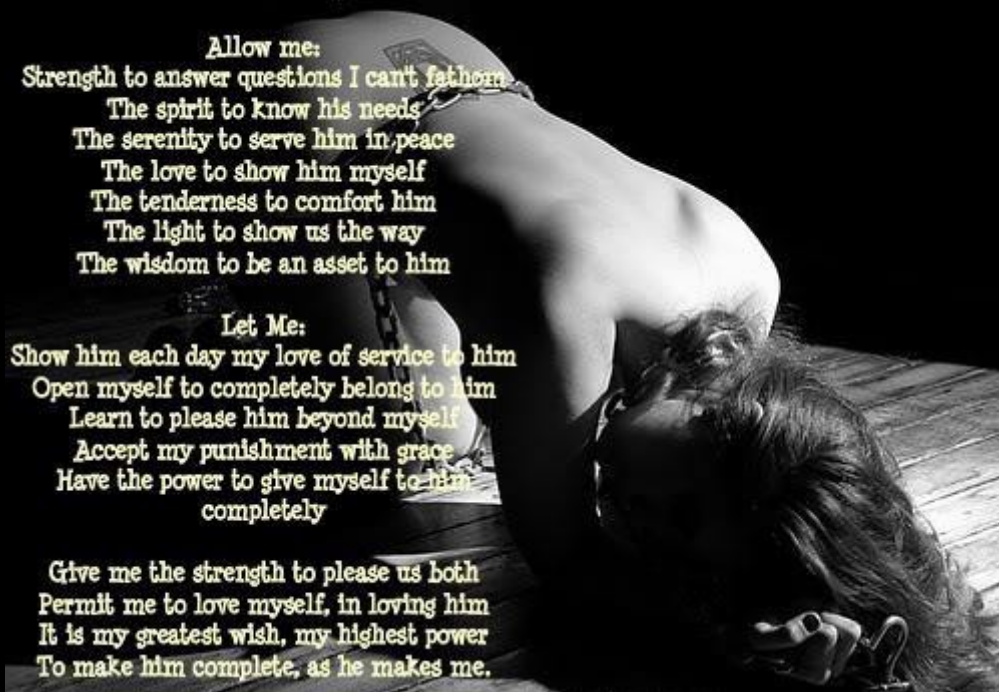

Have the power to give myself to him
completely

Give me the strength to please us both

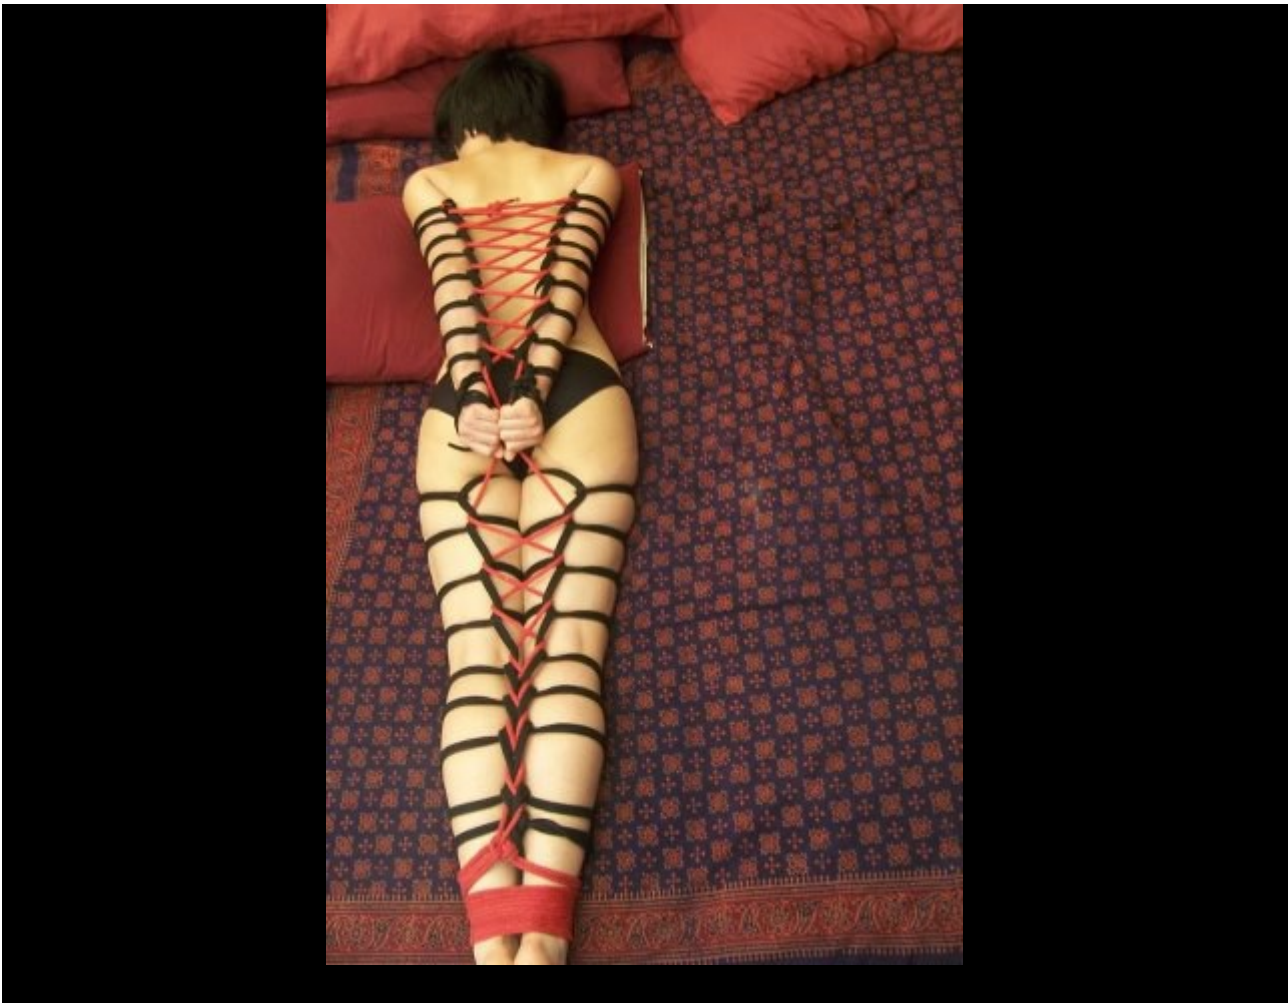

Permit me to love myself, in loving him

It is my greatest wish, my highest power

To make him complete, as he makes me.
